

Week of: May 5-9

Teacher: Judy Chambers

Team: Art 1

Monday	Objective: TSW Complete a large drawing of their collage by using the grid technique.
	Activities: Place clear acetate over your 9 x 6 collage and grid it in 1" squares using extra fine black sharpies. On a piece of white 18 x 12 white paper, made a grid of 2" squares using pencil. Draw the grid lightly so it can be erased. <ul style="list-style-type: none"><li>• Color these two drawings using the colored pencil techniques practiced in the preceding lesson.</li></ul>
	Materials: Clear acetate, extra-fine black sharpies, pencils, erasers, and 12 x 18 white paper.
Tuesday	Objective: TSW Complete a large drawing of their collage by using the grid technique.
	Activities: When the grids are finished, enlarge your drawing using the grid technique. When finished with the drawing, erase the grid lines.
	Materials: Clear acetate, extra-fine black sharpies, pencils, erasers, and 12 x 18 white paper.
Wednesday & Thursday	Objective: TLW TSW Complete a large drawing of their collage by using the grid technique. TSW then apply color to the drawing using the colored pencil techniques practiced in the preceding lesson.
	Activities: Complete your drawing of your collage. Erase all grid lines. When your drawing is finished, start to apply color to the drawing using the techniques practiced in the preceding lesson.
	Materials: Prisma Colors. Students practice sheet of the colored pencil techniques.
Friday	Objective: TSW apply color to the drawing using the colored pencil techniques practiced in the preceding lesson.
	Activities: Substitute will be teaching today because I will be administering the AP test for the Art Portfolios.  Continue to add color pencils to their drawing using the colored pencil techniques learned in the preceding lesson.
	Materials: Prisma Colors. Students practice sheet of the colored pencil techniques.
